

Maxar Technologies
EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

As Chief Human Resources Officer of Maxar Technologies, I am committed to the principles of affirmative action and equal employment opportunity. In order to ensure dissemination and implementation of equal employment opportunity and affirmative action throughout all levels of the company, we establish and maintain an internal audit and reporting system to allow for effective measurement of Maxar Technologies programs.

In furtherance of Maxar Technologies policy regarding affirmative action and equal employment opportunity, Maxar Technologies has developed a written Affirmative Action Program (AAP) which sets forth the policies, practices and procedures that Maxar Technologies is committed to undertake in order to ensure that its policy of nondiscrimination and affirmative action for qualified individuals with disabilities and qualified protected veterans is accomplished. This AAP is available for inspection by any applicant for employment upon request by email at CAREERS@MAXAR.COM between the business hours of 8-5pm ET Monday - Thursday. Messages or inquiries left for this purpose will be considered and responded to within 48 hours.
